

ONE CLUB APPROACH – NEXT PHASE

It is proposed that these variations will be introduced as from the 6th April 2021.

1. A BMC Meeting will consist of the President, the Club Captains and the Secretaries. Other members would be present according to need through the Agenda.
2. Club Captains to control the section insofar as they will need to be across all aspects of the Section. Club Captains will be involved in all and any discussions and decisions.
3. Each Section will submit a full and comprehensive report to the BMC. Minutes of Meetings will not be required as this suggests the 'old' structure. In line with current practices the only Minutes of Meeting that are produced are those from the Board Meetings.
4. All recommendations from section meetings are to be tabled at a BMC Meeting for discussion and endorsement.
5. The notion of men's/ ladies' social days will be replaced by the nomenclature *Social Bowls Days*. **This will not affect any arrangements currently in place.**
6. The tenure for BMC Members to be 2 years with ½ to be elected each year. At the 2021 AGM ½ will be elected for 1 year while ½ will be elected for 2 years to begin the process.
7. Every day (pm) except Saturday, green fees to be \$8 with \$1 going toward jackpot.
8. Social Selector Coordinator to be appointed to undertake a trial period of no more than 6 months. Throughout this period arrangements will be put in place so that the running of the selectors box is effective and efficient. If it is deemed necessary, a Social Selectors Coordinator will be appointed on a permanent basis.
