

Bribie Island Bowls Club Club Chronicle

Your Island, Your Club

Oct / Nov 2022 Edition 183

A WORD FROM THE CHAIRMAN

We have seen spectacular weather over the last few weeks, which has led to some fantastic results for Bribie Island Bowls Club.

Our Pennants competitors have had great success with finals wins for our Mens Division 3 and Five, and wins for our Ladies Division 4 and runners up in Division 1. Great to see.

The Club has also had great success within the District Championships with Isobel McLaren, Megan Garfield and Linda Williams taking out the Ladies District Championship Triples Final and Janet Gray was runner up in the Ladies District Singles. Both amazing results.

We are continuing to move forward with the renovation planning and now working with the design team and builders on the Building Application. When the final plans are available, they will be put on display for members to see. Planning for the covered greens is also well under way.

I would also like to welcome the Club's newly appointed Operations Manager Steve Lancaster. Steve has many years of Club management experience and will be an asset to the business.

GENERAL MANAGER'S REPORT

This year is flying by, which means it will be Christmas again before we know it. Luckily, we still have a few weeks up our sleeve to enjoy some great bowls and some great promotions and events at the Club.

We have a fantastic day planned to celebrate the race that stops a nation on Melbourne Cup Day Tuesday November 1st. Please note, the Club will be open from 9am and there will be prizes for Fashions On The Field, sweeps, raffles, a TAB help desk as well as two TAB Terminals and two self serve terminals.

We are taking bookings now for our fantastic Melbourne Cup Day Luncheon. The three course lunch includes a complimentary drink on arrival and tickets are just \$55 per person. You can see the delicious menu on our website by clicking <http://bribiebowls.com/melbourne-cup-2022/>

The Club has just launched some new weekly gaming promotions, and revamped some of our old favourites with new prizes. You have to be a member to enter and you need to have your membership card in the gaming machine while playing during the promotional period.

On a final note, please remember bowls memberships are now due and social memberships will expire at the end of December this year. If you have not already renewed, please see our friendly staff at reception who will be only too happy to help.

Hope to see you in the Club again soon.

Kevin Bertwistle
General Manager

Light the Night Leukaemia Foundation

We're shining a light on blood cancer

Thank you so much to everyone that supported the Club's Leukaemia Foundation Light the Night Fundraiser on Saturday 24th September. We were able to raise a whopping \$1,750 which will now go towards creating life-saving blood cancer treatments.

Thank you to the staff and the army of members who sold raffle tickets, thank you to everyone that donated raffle prizes, manned the bbq or just helped wherever they could - it was all greatly appreciated

In our Club we have members and family members who have been touched by blood cancers like leukaemia, lymphoma or myeloma.

Because we held a daytime fundraiser we used balloons and tags instead of lanterns to symbolise the hope we share for a future free of blood cancer and the support of a community that understands the darkness a blood cancer brings to our lives.

The money raised as part of Light the Night gives provides much needed funds to important cancer research programs searching for life-saving treatments. Our fundraising efforts can transform fear into hope in incredible ways, by furthering the life-saving work of cancer researchers.

Community Group Update

It was great to see so many players come together as a Club to wear yellow for RUOK Day and to take a few minutes to reflect on the increasing tragedy of mental health, suicides and self-harm in Australia. This nationally recognised day is held to make us more aware of the potential signs and what actions to take. No qualifications are needed – you do not need to be an expert to ask “ARE YOU OK?” Try practicing on friends or family. It’s not hard!!! The RUOK website has lots more information including what to look for, how to react and various help lines. Please visit <https://www.ruok.org.au/> for more information.

The Club is very proud to again be supporting the Next Generation Art Prize at the Matthew Flinders Art Gallery. This is the seventh year the Club has supported this youth art competition and it continues to go from strength to strength. This year there were more than 200 entries!

The Club sponsored the People's Choice Award and the winner was Olya Ignatovich for her painting 'Socialite'. Fifteen-year-old Olya is pictured with Club Community Coordinator Kerry Muller and her \$250 prize.

Kerry also presented some awards on the opening night.

Kerry Muller Louisa Sahin

Kerry Muller Lily Edgar
